This matter comes before the Public Service Commission of South Carolina (the “Commission”) on the request of International Telephone Group, Inc. (“ITG” or the “Company”) for approval of a change of the Company’s name. ITG proposes to transact business within South Carolina under the Company’s new corporate name of NUI Telecom, Inc. ITG was granted authority to provide local exchange, exchange access, and interexchange telecommunications services in Order No. 2000-0073 issued January 19, 2000.

Upon the filing of the Company’s request, the Commission’s Executive Director instructed ITG to publish a Notice of Filing in newspapers of general circulation in the Company’s service areas. The Company filed affidavits showing that it had complied with the instructions of the Commission’s Executive Director. No Protests or Petitions to Intervene were filed in this matter.

A review of the Company's request reveals that effective February 22, 2000, ITG amended its Articles of Incorporation in the State of New Jersey to reflect the Company's name change to NUI Telecom, Inc. A copy of the Restated and Amended Certificate of Incorporation filed with the New Jersey Secretary of State's Office reflecting the new name accompanied the request.

Upon consideration of this matter, the Commission finds and concludes that the Certificate of Public Convenience and Necessity under which ITG is providing telecommunications services in South Carolina should be amended to reflect the change of the Company's name. The Commission approves the following amendment:

FROM: International Telephone Group, Inc.

TO: NUI Telecom, Inc.

The Commission's records will hereby reflect the modification of the name of the Company as set forth above.

This Order shall remain in full force and effect until further Order of the Commission.
